This certificate is made pursuant to existing regulations of the United States of America acting through the Rural Development in order to induce the Government to provide or extend assistance. As part of that inducement, the following certifications are made:

Check and Complete Applicable Box:

## A. ESTIMATE

I certify that the estimates of costs as set forth through line 44 in the ESTIMATED COST column are true and correct as computed by me $\qquad$ or as given to me by the subcontractors or payees named, as general contractor or owner-builder for the development of the project described above, as determined from the plans and specifications accepted, signed and dated by the Rural Development State Director of Rural Development or the State Directors's delegated representative, on $\qquad$ 20 $\qquad$ . As borrower or owner-builder for the development of the project described above, I certify that the estimates of cost as set forth from line 44 in the ESTIMATED COST column are true and correct as computed by me or as given to me by the subcontractors or payees named. Subsequent to this estimate and prior to final payment, when directed by Rural Development, I agree to furnish a certification of actual cost. The estimate and the final certification will be in accordance with Rural Development regulations requiring estimates and certifications.B. ACTUAL COST

I certify that the actual cost of labor, materials, and necessary services for the construction of the physical improvements in connection with the project described above, after deduction of all rebates, adjustments, or discounts made or to be made to the undersigned borrower or general contractor, or any corporation, trust partnership, joint venture, or other legal or business entity in which the undersigned borrower or general contractor, or any of their members, stockholders, officers, directors, beneficiaries, or partners hold any interest, is as represented herein. The deduction of such rebates, adjustments, or discounts from actual hard costs will not be used to increase builder's profit over and above the final estimated amount. I further certify that all soft costs associated with construction of the project as set forth on lines 45 through 57 are correct as represented herein.
