

How to Register a New Operation in eLandings

Create A New Operation

Go to this website: <https://elandings.alaska.gov/>

Under **How To Get Started**, click on the word **Register** in blue text.

- You will be taken to a screen that looks like the one below.
- Select the Operation Type from the drop-down menu
 - *Plant/Receiver*: Physical location that processes fish into product or receives fish product
 - *Salmon* - need ADF&G Processor Code permit
 - *Groundfish* - need ADF&G Processor Code permit, FPP, RB (if purchasing IFQ species)
 - *Crab* - need ADF&G Processor Code permit and RCR
 - *Direct Marketer*: Purchaser of fish/fish product with the intent to sell to buyers in and out of state
 - *At-Sea Processor*: Catcher processors that harvest and process at-sea
 - *Catcher Vessel*: Fishing vessel that wants to use the electronic logbook
 - *Catcher Seller*: Fishing vessel that catches and sells fish/fish product dockside
 - *Buyer-Exporter*: Purchaser of fish/fish product with the intent to export product out of state

You will need to acquire both State and Federal permits applicable to your particular business type in order to complete your Operation registration.
