Good Morning Danny,

After closely reviewing Supporting Statement A for Cross-Site Evaluation, I have determine that the Privacy Act does not apply in this data collection. There will be no PII stored, collected, or transferred. All data received will be secondary data that has already been de-identified. Can you please let Karen Angel of OMB know that the Privacy Act is no applicable, so that she can move forward with the OMB package. Thanks in advance 😊

Hi Larry,

The contractor for the Cross-Site Evaluation contract, Booz Allen Hamilton, decided to store the data collected from the project on BAH SharePoint. Please confirm that PRA is not needed.

The SSA for OMB is attached.
