The Interagency Collaborative Animal Research Education (ICARE) Project

https://olaw.nih.gov/education/icare-interagency aims to empower IACUCs and their institutions to improve animal welfare and thus increase the quality of data collected, and increase compliance with federal standards while minimizing regulatory burden.

The ICARE training programs are supported by the ICARE Project, an interagency initiative of the NIH Office of Laboratory Animal Welfare (OLAW), the USDA Animal and Plant Health Inspection Service (APHIS), the National Science Foundation (NSF), the Food and Drug Administration (FDA), the Department of Veterans Affairs (VA) and the Biomedical Advanced Research and Development Authority (BARDA) of the Department of Health & Human Services.

OMB # 0925-0740 Expiration Date: July 31, 2022 Public reporting burden for this collection of information is estimated to average 2 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: (0925-0740). Do not return the completed form to this address.

ICARE DIALOGUES TOPICS

You are invited to participate in 1, 2 or all 3 ICARE Dialogues. Please review the topics below and select the one(s) you would like to participate in.

IMPORTANT: PARTICIPANT OBLIGATIONS

- 1. Attend session(s) for which you register.
- 2. Provide demographics and feedback.
- If you register and do not attend, you will deprive a colleague of the opportunity to participate. If your plans change, please inform us ASAP (not later than 48 hours in advance) at erin@espinc-usa.com or 214-282-6780 so that we may offer your space to a waitlisted colleague. Other participants from your INSTITUTION may be denied the opportunity to register for future sessions of ICARE Dialogues if, as a registered participant, you do not cancel in advance.
- Please partner with us by providing demographic information at registration and feedback through a pre and post session survey. Your demographics and feedback will enable us to design more targeted and effective programs to better serve your needs.

All ICARE Dialogues will occur at 1 PM - 3 PM Eastern (12 PM - 2 PM Central • 11 AM - 1 PM Mountain • 10 AM - 12 PM Pacific)

All sessions will include Closed Captioning.

| 1 PM - 3 PM EST | Using Flexibility Provided in the PHS Policy and the AWAR. Optimizing Animal Welfare During the Pandemic Crisis. |
|-----------------|---|
| 1 PM - 3 PM EST | Impact of Diversity, Inclusivity, and Race Relations on ACUPs and Personnel. |
| 1 PM - 3 PM EST | Integrating Pandemic Restrictions Into Policies and Programs. Managing Teams Across Multiple Locations. |
| | 1 PM - 3 PM EST |

Since your event is currently in "draft" mode, emails will only be sent to the email addresses of users in your account. This is to prevent emails accidentally being sent to invalid "test" emails of en used when testing registrations such as "test@test.com".

Once your event is live, this restriction is lifted and emails will be sent to all email addresses.

Thanks For Registering

We look forward to seeing you at the event.
