

Registration

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Please confirm your participation for the practicum below.

Select the option that applies:

YES, I plan to attend the Mary Frances Picciano Dietary Supplement Research Practicum in Bethesda, Maryland, June 10-12, 2020.

NO, I will not attend the Mary Frances Picciano Dietary Supplement Research Practicum in Bethesda, Maryland, June 10-12, 2020.

Please note: All fields are required unless otherwise noted.

Optional National Institutes of Health (NIH) Clinical Center Tour

At the conclusion of this year's practicum, on Friday, June 12, we are pleased to offer optional tours. To register for a tour, please indicate your selection below.

Yes, I plan to participate in the optional tour of the NIH Clinical Center after the practicum concludes on Friday, June 12. A bus will take you to Building 10, and the tour will include:

- An overview of the NIH Clinical Center and its protocols

Dietary Supplement Research Practicum: Registration

- A walking tour of the Clinical Center
- An overview and walking tour of the Metabolic Clinical Research Unit (specializes in the study of metabolism and obesity; includes indirect calorimetry rooms) and the Metabolic Kitchen within the Clinical Center.

The tour is scheduled from 1:30 p.m. to about 2:45 p.m.

Yes, I plan to participate in the optional tour of the National Library of Medicine (NLM) after the practicum concludes on Friday, June 12. The tour, which originates in the NLM Visitor Center (Room 127, Building 38A), includes:

- An 8-minute video providing an overview of NLM programs and services
- Brief demonstrations of the library's online information resources
- A walking tour that includes the computer room, reading room, exhibition area, and the History of Medicine Division.

The tour is scheduled from 1:30 p.m. to 2:45 p.m.

No, I do not plan to participate in a tour.
