The information is needed to determine benefit eligibility of the named claimant. The information you furnish on this form is voluntary. However, failure to provide all or part of the information could prevent an accurate and timely decision on benefit eligibility of the named claimant.~~

~~We rarely use the information you supply for any purpose other than for establishing benefit eligibility. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to: (1) to enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage; (2) to comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veteran Affairs); (3) to make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; (4) to State agencies or other agencies providing services to disabled children; and (5) to facilitate statistical research, audit or investigative activities necessary to assure the integrity of Social Security programs.~~

Information from these matching programs can be used to establish or verify a person's eligibility for Federally funded and administered benefit programs and for repayment of payments or delinquent debts under these programs.~~

~~A complete list of routine uses for this information is available in System of Records Notice 60-0103 (Supplemental Security Income Record and Special Veterans Benefits).
