Read the separate instructions before completing this form. Use this form to correct errors you made on Form 944, Employer's ANNUAL Federal Tax Return. Use a separate Form 944-X for each year that needs correction. Type or print within the boxes. You MUST complete all three pages. Don't attach this form to Form 944 unless you're reclassifying workers; see the instructions for line 22.

Part 1: Select ONLY one process. See page 4 for additional guidance.

- 1. Adjusted employment tax return.** Check this box if you underreported amounts. Also check this box if you overreported amounts and you would like to use the adjustment process to correct the errors. You must check this box if you're correcting both underreported and overreported amounts on this form. The amount shown on line 20, if less than zero, may only be applied as a credit to your Form 944, Form 941, or Form 941-SS for the tax period in which you're filing this form.
- 2. Claim.** Check this box if you overreported amounts only and you would like to use the claim process to ask for a refund or abatement of the amount shown on line 20. Don't check this box if you're correcting ANY underreported amounts on this form.

Part 2: Complete the certifications.

- 3. I certify that I've filed or will file Forms W-2, Wage and Tax Statement, or Forms W-2c, Corrected Wage and Tax Statement, as required.**

Note: If you're correcting underreported amounts only, go to Part 3 on page 2 and skip lines 4 and 5. If you're correcting overreported amounts, for purposes of the certifications on lines 4 and 5, Medicare tax doesn't include Additional Medicare Tax. Form 944-X can't be used to correct overreported amounts of Additional Medicare Tax unless the amounts weren't withheld from employee wages.

- 4. If you checked line 1 because you're adjusting overreported amounts, check all that apply.** You must check at least one box.

I certify that:

- a.** I repaid or reimbursed each affected employee for the overcollected social security tax and Medicare tax for prior years. I have a written statement from each affected employee stating that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
- b.** The adjustments of social security tax and Medicare tax are for the employer's share only. I couldn't find the affected employees or each affected employee didn't give me a written statement that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
- c.** The adjustment is for federal income tax, social security tax, Medicare tax, or Additional Medicare Tax that I didn't withhold from employee wages.

- 5. If you checked line 2 because you're claiming a refund or abatement of overreported employment taxes, check all that apply.**

You must check at least one box.
