

Overview of Incident Collection Form

Including screen flows and privacy notice information

This document illustrates the possible screen flows of the Incident Collection Form developed as part of the Cybercrime Support Network SLTT Reporting and Threat Information Sharing Pilot project.

The Form includes explicit privacy notice information to clearly explain to submitters how their information will be used and shared. This privacy notice information is presented at 2 key times in the form flow:

1. [Notifications Screen](#): At the very beginning of the form, before the user has begun to fill out any data entry fields.
2. [Sign & Submit Screen](#): At the end of the form, just before the completed form is submitted by the user. The user must explicitly acknowledge these statements at this point in order to submit their data. A more detailed Privacy Policy document is also available via hyperlink from this screen.

Both of these privacy notice screens include the following key information:

- *The information reported will be forwarded to applicable law enforcement or regulatory agencies with jurisdiction to investigate as appropriate. Investigation and prosecution are at the discretion of the receiving agencies. CSN does not conduct investigations and is not able to provide investigative status of filed complaints.*
- *After removing personal details, the information you have provided will also be used to identify existing and emerging cyber threats so we can help others recover from and avoid similar incidents.*
- *Information submitted in this form and shared with the relevant state authorities may be subject to applicable state disclosure or “sunshine” laws.*

The Notifications Screen also includes the Paperwork Reduction Act Burden Statement. The OMB Control Number and Expiration Date are included on the Notifications and Sign & Submit Screens,

In addition, all data entry screens include visual indicators of which fields are required vs optional. The only required data fields are:

- Victim First Name and Last Name
- Victim State (to assist in routing to proper Law Enforcement)
- Incident Description (freeform text)

Please note that the flows presented in this document illustrates the most detailed possible scenario in which the user enters ALL optional information and includes multiple transactions, offenders, and witnesses. The typical user scenario will involve fewer screens and fields than are shown here.

Victim Entry Screen: Non-Pilot States

During the pilot, the vast majority of users from non-pilot states will not even reach this Form, as FraudSupport.org will route them here only if their IP address indicates a pilot state location. However, for the small number of users that may reach this Form inadvertently (because their IP address inaccurately indicates a pilot state, through the use of a VPN, for example), the Form itself will handle redirecting them. If the victim state selected above is not among the five pilot states (RI, MI, MS, NC, UT), then the user will be taken to the screen below and will not be able to continue with this Form.

Personal Information We May Collect

Information you provide to us. We collect personal information you provide to us through the Site. This includes:

- Information you may provide to subscribe to ongoing newsletters, reports, or other communication, or to send us feedback, such as name and e-mail address.
- Information you may provide when reporting a cyber incident, such as first and last names, age range, e-mail and mailing addresses, contact information, and other information relating to the cyber incident you are reporting.

Information we obtain from other third parties. We may receive personal information about you from third-party sources. For example, a business partner may share your contact information with us if you have expressed interest in learning specifically about our services, or the types of products or services we offer. We may obtain your personal information from other third parties, such as publicly available sources and data providers.

Cookies and Other Information Collected by Automated Means. We, our service providers, and our business partners may automatically log information about you, your computer or mobile device, and activity occurring on or through the Site, including but not limited to, your computer or mobile device operating system type and version number, manufacturer and model, device identifier, browser type, IP address, your media access control (MAC) address, the website you visited before browsing to our website, general location information such as city, state or geographic area; information about your use of and actions on the Site, such as pages or screens you viewed, how long you spent on a page or screen, navigation paths between pages or screens, information about your activity on a page or screen, access times, and length of access; and other personal information. Our service providers and business partners may collect this type of information over time and across third-party websites and mobile applications.

On our webpages, this information is collected using cookies, browser web storage (also known as locally stored objects, or “LSOs”), web beacons, and similar technologies.

A “cookie” is a text file that websites send to a visitor’s computer or other internet-connected devices to identify the visitor’s browser uniquely or to store information or settings in the browser. Browser web storage, or LSOs, is used for similar purposes as cookies. Browser web storage enables the storage of a larger amount of data than cookies. A “web beacon,” also known as a pixel tag or clear GIF, is typically used to demonstrate that a webpage was accessed or that certain content was viewed, typically to compile statistics about usage of our webpages.

Web browsers may offer users of our website the ability to disable receiving certain types of cookies; however, if cookies are disabled, some features or functionality of our websites may not function correctly.

5) YOUR INDEMNITY OF CSN

YOU AGREE TO INDEMNIFY, DEFEND, AND HOLD CSN, ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, REPRESENTATIVES, SUBSIDIARIES, AFFILIATES, LICENSORS, SERVICE PROVIDERS AND OTHERS ACTING IN CONCERT WITH IT (COLLECTIVELY, THE "CSN AFFILIATES"), HARMLESS FROM ANY LOSS, LIABILITY, CLAIM OR DEMAND, INCLUDING WITHOUT LIMITATION INJURY TO PERSON OR PROPERTY OR DEATH, AND REASONABLE ATTORNEYS' FEES, MADE BY YOU OR ON YOUR BEHALF OR BY ANY THIRD PARTY DUE TO OR ARISING OUT OF (A) YOUR CONNECTION OR SUBMISSION TO OR USE OF THE SITE OR THE CONTENT; OR (B) YOUR VIOLATION OF THESE TERMS OF USE, ANY APPLICABLE LAWS, OR THE RIGHTS OF CSN OR ANY THIRD PARTY. CSN RESERVES THE RIGHT TO ASSUME THE EXCLUSIVE DEFENSE AND CONTROL OF ANY MATTER SUBJECT TO YOUR INDEMNIFICATION, AT YOUR EXPENSE, AND IN SUCH CASE YOU WILL COOPERATE WITH CSN'S DEFENSE OF SUCH CLAIM.

6) USER GENERATED CONTENT

Interactive Areas. The Site may collect user-generated content, including through the Cyber Reporting and Information Sharing System (“CRISS”)—CSN’s service used to collect and share cyber incident information with federal and state, local, tribal, and territorial partners and law enforcement and regulatory agencies (collectively, “Interactive Areas”). You are solely responsible for your use of any Interactive Areas, and you use them at your own risk.

Interactive Areas Guidelines. By submitting any User Content or participating in an Interactive Area within or in connection with the Site, you agree to abide by the following rules of conduct:

You agree not to upload, post, or otherwise transmit any User Content that:

The burden of determining whether any User Content is not protected by copyright, trademark, trade secret, right of publicity, or other proprietary right rests with you. You shall be solely liable for any damage resulting from any infringement of copyrights, trademarks, trade secrets, rights of publicity, or other proprietary rights or any other harm resulting from such a submission. Any person determined by CSN, in its sole discretion, to have violated the intellectual property or other rights of others shall be barred from submitting or posting any further material on the Site.
- Does not generally pertain to the designated topic or theme of any Interactive Area.

License to User Content. By submitting User Content to the Site, you automatically grant CSN the royalty-free, perpetual, irrevocable, non-exclusive right and license, but not the obligation, to use, publish, reproduce, modify, adapt, edit, translate, create derivative works from, incorporate into other works, distribute, sub-license and otherwise exploit such User Content (in whole or in part) worldwide in any form, media or technology now known or hereafter developed for the full term of any copyright that may exist in such User Content solely for the purposes outlined in our Privacy Policy, without payment to you or any third parties. You represent and warrant to CSN that you have the full legal right, power and authority to grant to CSN the license provided for herein, that you own or control the complete exhibition and other rights to the User Content you submitted for the purposes contemplated in this license and that neither the User Content nor the exercise of the rights granted herein shall violate these Terms of Use, or infringe upon any rights, including the right of privacy or right of publicity, constitute a libel or slander against, or violate any common law or any other right of, or cause injury to, any person or entity.

Prohibited Actions: You agree that the following actions are prohibited and constitute a material breach of these Terms. This list is not meant to be exhaustive, and CSN reserves the right to determine what types of conduct it considers to be inappropriate use of the Site. In the case of inappropriate use, CSN or its designee may take such measures as it determines in its sole discretion.

4. Violate any code of conduct or other guidelines which may be applicable for any Interactive Area.

6. Use of the Site for unauthorized framing or linking, or via automated devices, bots, agents, scraping, scripts, intelligent search, or any similar means of access to the Content.
7. Aggregate, copy, duplicate, publish, or make available any of the Content to third parties outside the Site in any manner.
8. Upload or download files that contain software or other material protected by intellectual property laws or other laws, unless you own or control the rights, titles, or interests thereto or have received all necessary consents or rights.

13. Engage in any other action that, in the judgment of CSN, exposes it or any third party to potential liability or detriment of any type.

7) LINKS

Links to Other Websites and Search Results: The Site may contain links to websites operated by other parties. The Site provides these links to other websites as a convenience, and your use of these websites is at your own risk. The linked websites are not under the control of CSN, which is not responsible for the content available on third-party websites. Such links do not imply endorsement of information or material on any other website, and CSN disclaims all liability with regard to your access to, use of, or transactions with such linked websites. You acknowledge and agree that CSN shall not be responsible or liable, directly or indirectly, for any damage, loss or other claim caused or alleged to be caused by or in connection with, access to, use of or reliance on any content available on or through any other site or resource.

Links to the Site: You may link another third-party website to the Site subject to the following linking policy: (i) the appearance, position and other aspects of any link may not be such as to damage or dilute the reputation of CSN or the Site; (ii) the appearance, position and other attributes of the link may not create the false appearance that your site, business, organization, or entity is sponsored by, endorsed by, affiliated with, or associated with CSN; (iii) when selected by a user, the link must display the Site on full-screen and not within a “frame” on the linking website; and (iv) CSN reserves the right to revoke its consent to the link at any time and in its sole discretion. You agree to take down the link if CSN revokes its consent.

8) MODIFICATIONS TO THE WEBSITES AND APPLICATIONS

CSN reserves the right at any time and from time to time to modify, suspend, or discontinue, temporarily or permanently, the Site, or any portion thereof, or any content, with or without notice. You agree that CSN will not be liable to you or any third party for any modification, suspension, or discontinuance of the Site.

9) SUSPENSION AND TERMINATION RIGHTS

CSN reserves the right, at its sole discretion, immediately and without notice, to suspend or terminate your access to the Site or any part thereof for any reason, including without limitation any breach by you of these Terms. You agree that CSN shall not be liable to you or any third party for any such suspension or termination.

10) DISCLAIMER

THE SITE AND CONTENT OFFERED, CONTAINED IN THE SITE, INCLUDING WITHOUT LIMITATION TEXT, PHOTOS, VIDEO, GRAPHICS, OR OTHER IMAGES, CONTENT, VIEWS, AND LINKS, ARE PROVIDED ON AN “AS IS” AND “AS AVAILABLE” BASIS WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED. TO THE MAXIMUM EXTENT PERMITTED BY LAW, CSN AND ITS PARTNERS, LICENSORS, SUPPLIERS, AND RELATED PARTIES DISCLAIM ALL REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO SUCH INFORMATION, SERVICES, AND MATERIALS, INCLUDING, BUT NOT LIMITED

TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, FREEDOM FROM COMPUTER VIRUS AND IMPLIED WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE. YOUR USE OF THE WEBSITES AND APPLICATIONS AND ANY CONTENT IS ENTIRELY AT YOUR OWN RISK.

Without limiting the foregoing, you are responsible for taking all necessary precautions to ensure that any Content or access to the Site is free of viruses or other harmful code.

11) LIMITATION ON LIABILITY

TO THE MAXIMUM EXTENT PERMITTED BY LAW, CSN, AND ITS RELATED PARTIES DISCLAIM ALL LIABILITY, WHETHER BASED IN CONTRACT, TORT (INCLUDING WITHOUT LIMITATION NEGLIGENCE), STRICT LIABILITY OR ANY OTHER THEORY ARISING OUT OF OR IN CONNECTION WITH THE SITE, USE, INABILITY TO USE OR PERFORMANCE OF THE INFORMATION, CONTENT, SERVICES, PRODUCTS AND MATERIALS AVAILABLE FROM OR THROUGH THE SITE. IN NO EVENT SHALL CSN OR ANY OF ITS PARTNERS, LICENSORS, SUPPLIERS OR RELATED PARTIES BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES, EVEN IF THESE ENTITIES HAVE BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OR THE EXISTENCE OF ANY LIMITED REMEDY. WITHOUT LIMITING THE FOREGOING, THE MAXIMUM AGGREGATE LIABILITY OF CSN ARISING OUT OF OR IN CONNECTION WITH THESE TERMS OR THE WEBSITE, CSN, OR THE CONTENT, INFORMATION, MATERIALS, OR SERVICES ON OR THROUGH THE SITE SHALL NOT EXCEED FIFTY DOLLARS (U.S.).

Exclusions and Limitations: Because some jurisdictions do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of liability for consequential or incidental damages, the above limitations may not apply to you. This Limitation of Liability shall be to the maximum extent permitted by applicable law.

12) GOVERNING LAW AND DISPUTES

These Terms shall be governed by and will be construed under, the laws of the State of Michigan, U.S.A., without regard to choice of law principles, except as to matters relating to arbitration, which shall be governed by the Federal Arbitration Act. You irrevocably agree that the exclusive venue for any disputes arising between you and CSN out of, under, or in connection with these Terms, the Site, or its Content shall be conducted in Washtenaw County, Michigan, U.S.A. Any cause of action or claim you may have with respect to these Terms, the Site, or its Content must be commenced within six (6) months after the claim or cause of action arises or such claim or cause of action shall be barred.

You agree that any dispute between you and CSN arising out of or relating to these Terms, the Privacy Policy, the Site, or their Content will be decided only by arbitration, individually and not on a class-wide basis. YOU KNOWINGLY WAIVER ANY RIGHT TO PARTICIPATE IN

ANY FORM OF CLASS ACTION or “class,” “joint,” or “representative” litigation (including in any “private attorney general capacity”) against CSN. The laws of the State of Michigan, U.S.A., without regard to choice of law principles, shall apply to any dispute between us, except as to matters relating to arbitration, which shall be governed by the Federal Arbitration Act. Any arbitration will be administered by the American Arbitration Association and will take place in Washtenaw County, Michigan, U.S.A. The remedy for any claim shall be limited to actual damages, and in no event shall you be entitled to recover punitive, exemplary, consequential, or incidental damages, including attorney’s fees or other costs related to bringing a claim, or to rescind these Terms or seek injunctive or any other equitable relief arising out of or related to the Submission or these Terms.

The Site is controlled within the United States of America and directed to individuals residing in the United States. Those who choose to access the Site from locations outside of the United States do so on their own initiative and are responsible for compliance with local laws if and to the extent local laws are applicable. CSN does not represent that the Site or Content are appropriate outside the United States of America. CSN reserves the right to limit the availability of the Site to any person, geographic area, or jurisdiction at any time in its sole discretion.

13) FORCE MAJEURE

CSN shall not be liable for any delay or failure to perform resulting from causes outside its reasonable control or unforeseen circumstances such as acts of nature or God, fire, flood, earthquake, accidents, strikes, war, terrorism, governmental act, epidemic, pandemic, failure of or interruption in common carriers (including without limitation Internet service providers and web hosting providers) or utilities, or shortages of transportation facilities, fuel, energy, labor or materials.

14) MISCELLANEOUS

These Terms and the Privacy Policy set forth the entire understanding and agreement between you and CSN with respect to the subject matter hereof. If any provision of the Terms or the Privacy Policy is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to give effect to the parties’ intentions as reflected in the provision, and the other provisions of the Terms or the Privacy Policy shall remain in full force and effect. Headings are for reference only and in no way define, limit, construe or describe the scope or extent of such section. CSN’s failure to act with respect to any failure by you or others to comply with these Terms or the Privacy Policy does not waive its right to act with respect to subsequent or similar failures. You may not assign or transfer these Terms or the Privacy Policy or your rights or obligations under these Terms or the Privacy Policy without the prior written consent of CSN, and any assignment or transfer in violation of this provision shall be null and void. There are no third-party beneficiaries to these Terms or the Privacy Policy.
