Action Title: Information Collection Request Submitted to OMB for Review and Approval; Comment Request; Requirements for Generators, Transporters, and Waste Management Facilities under the RCRA Hazardous Waste Manifest System (Renewal)

Purpose: EPA will submit an information collection request (ICR), Requirements for Generators, Transporters, and Waste Management Facilities under the RCRA Hazardous Waste Manifest System (Renewal) (EPA ICR Number 0801.25, OMB Control Number 2050-0039, to OMB for review and approval in accordance with the Paperwork Reduction Act. This is an extension of an existing ICR. Public comments were previously requested via the *Federal Register* during a 60-day comment period. This notice announces the submission of the ICR to OMB and allows for an additional 30 days for public comments.

Background: This Information Collection Request covers recordkeeping and reporting activities for the hazardous waste manifest paper and electronic system under the Resource Conservation and Recovery Act (RCRA) and the Hazardous Waste Electronic Manifest Establishment Act (Pub. L. 112–195). The manifest lists the wastes that are being shipped and the TSDf to which the wastes are bound. Generators, transporters, and TSDf's handling hazardous waste are required to complete the data requirements for manifests and other reports.

Stakeholder Involvement: EPA published a notice in the Federal Register on 5/19/2020 announcing the proposed ICR and providing a 60-day public comment period. No comments were received. This notice allows an additional 30 days for public comments. Additionally, the Agency sought to consult with representative respondents to this ICR about the reasonableness of the estimated burden and ways to minimize burden. No responses to the Agency's consultation invitations were received.

Key Issues/Internal Review: The Federal Register notice and associated ICR have been reviewed and approved by Office of Land and Emergency Management (OLEM) and OMS as required under the PRA.

Legal Deadlines: This FR notice must be published by 12/31/2020 in accordance with timeframes established under the Paperwork Reduction Act.

Timing: Notice should be published as soon as approved, but no later than 12/31/2020.
