

Non-substantive Change Request for Collection 3060-0967

The Commission is submitting this non-substantive change request to the Office of Management and Budget (OMB) as a result of the Report and Order, FCC 20-155, MB Docket No. 11-43, adopted and released on October 27, 2020. As stated in footnote 66 to the Order, this non-substantive modification is intended to indicate our change in terminology from “video description” to “audio description.” Nothing else is being changed in the collection, including the estimates contained therein.
