

## Observer Evaluation

---

The SEFSC Miami Laboratory recently placed an observer aboard your vessel for observer coverage. In an attempt to monitor the quality of observers we send on commercial vessels, we would appreciate it if you would take the time to fill out this questionnaire. We wish to insure that the observers conduct themselves professionally, are safe, and get along with the crew during a voyage. Please fill in the information below and return to: **Pelagic Observer Program, 75 Virginia Beach Drive, Miami, FL 33149**. Your information is important to us in order to run a better observer program. If you are the owner and were not present during the trip, please consult with your captain.
