## **Observer Evaluation**

The SEFSC Miami Laboratory recently placed an observer aboard your vessel for observer coverage. In an attempt to monitor the quality of observers we send on commercial vessels, we would appreciate it if you would take the time to fill out this questionnaire. We wish to insure that the observers conduct themselves professionally, are safe, and get along with the crew during a voyage. Please fill in the information below and return to: **Pelagic Observer Program, 75 Virginia Beach Drive, Miami, FL 33149**. Your information is important to us in order to run a better observer program. If you are the owner and were not present during the trip, please consult with your captain.

## Public Burden Statement - Effective 4/30/2020

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0593. Without this approval, we could not conduct this information collection. Public reporting for this information collection is estimated to be approximately 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are mandatory. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the NOAA/NMFS/ SEFSC at: 75 Virginia Beach Drive, Miami, FL 33149, Attn: Fisheries Biologist Andy Davis, Andrew.Davis@noaa.gov
