Registration — Utility Patent Application Competition

REMINDERS:

The team members listed below must represent this school at each phase of the Competition, including but not limited to, search, preparation of the written patent application and appearance(s) at the regional and national phases of the Competition to give the presentation(s). Should a student have to individually withdraw from the Competition, the remaining team members may choose to continue in the Competition (if the team originally comprised three or four competitors) or withdraw from the Competition.

This form will be separated from the remainder of the application. Within the remainder of this patent application, teams must identify themselves only by use of the team number given to them with the invitation, in December, by the organizing committee.

This form must be accompanied by a complete patent application, a completed IDS and a summary as stated in the rules: https://drive.google.com/file/d/1a0z_irlDNG3gcaq46Se_7L-RpAKy6y90/view.
