

CDC Evaluation Fellowship Recruitment Email

Good morning,

We are working with the CDC Program Performance and Evaluation Office as external evaluators to assess your experiences with the Evaluation Fellowship Program and the impact that the program has had on your skills and career. It is our understanding that representatives of the program contacted you and let you know that we would be requesting your participation in this important assessment. This year marks the 10th anniversary of the Evaluation Fellowship Program, and we believe that your input can provide vital information to support the development and implementation of the program in the future. We are requesting that you complete a brief survey. Your answers will be confidential. If you are willing to participate in the survey, please click on the link at the bottom of this message.

We also hope to conduct brief follow-up interviews with a small number of Program alumni. The purpose of the interviews is to provide some additional context surrounding the survey responses. You will be given an opportunity to volunteer to be interviewed at the end of the survey.

If you are willing to participate in the survey, please follow this link <https://forms.gle/CvafrTs2L1xmXnEw5> to access the survey.

Thank you for your time. If you have questions, please feel free to reach out to.,

FOLLOW-UP EMAIL

Good morning,

We are reaching out to you again to see if you are willing to complete a brief survey regarding your experiences with the CDC Evaluation Fellowship Program, as well as if you would be willing to participate in a brief interview regarding your experiences related to the program. Your participation will provide valuable information and may help with development and implementation of the program in the future. All responses will be confidential. If you are willing, please go to the following link to complete the survey: <https://forms.gle/CvafrTs2L1xmXnEw5>.

Thank you for your time.

If you have questions, please feel free to reach out to.,
