

Originating CIO Clearance Review Comments			
Date & Time	Status	Entered By & Role	Comments
9/11/2020 12:10:16 PM	Approved	Zirger_Jeffrey (wtj5) OMB / PRA	OADPS has worked with CSELS and determined that this project meets criteria for the Generic Clearance for CDC Fellowship Programs Assessments (OMB Control Number: 0920-1163). A GenIC will be submitted for review and approval.
9/11/2020 10:48:32 AM	Approved	Roberson_Lashonda (gwk5) CIO HSC	This activity is not human subjects research.
9/10/2020 10:25:28 PM	Approved	Puddy_Richard (fqy3) Policy ADS	Nice submission. The survey will advance the improvement of the Evaluation Fellows program. OADPS ADS reviewed the submission and suggests the following determinations: PRA Determination: OMB/PRA Clearance Required, as proposed activity constitutes a collection of information by or for CDC/ATSDR from ten or more non-Federal persons. The project meets the criteria for the using the CSELS Generic Clearance for CDC Fellowship Programs Assessments (OMB Control Number: 0920-1163). Human Subjects Determination: Activity is NOT human subjects research. Primary intent is public health practice or a disease control activity, i.e., program evaluation activity
9/9/2020 3:33:47 PM	Returned to Reviewer	Freire_Kimberly (hbx8) Project Contact	Thank you for your feedback. I have addressed the mandatory comments by adding specific numbers of respondents that are internal vs. external to CDC. I have also added information on the Generic Clearance for CDC Fellowship Programs Assessments (OMB Control Number: 0920-1163), which will be used for PRA.
9/7/2020 10:58:13 PM	Not Approved	Puddy_Richard (fqy3) Policy ADS	Two Mandatory Comments inserted to clarify the exact number of non-Federal staff you plan to survey and interview for either alum Fellows or Mentors. As written, PRA may apply. Please schedule a meeting with the OADPS ADS if you would like to discuss options or update the numbers and return for moving through the system.
8/31/2020 8:37:23 AM	Approved	Kidder_Daniel P. (dtk8) Supervisor Projects	Cleared with minor comments
8/28/2020 3:46:28 PM	Delegated	Puddy_Richard (fqy3) Supervisor Projects	Delegating Supervisory Review to Dan Kidder.
8/26/2020 11:01:06 AM	Initial	Freire_Kimberly (hbx8) Project Contact	Please note that data collection planned for September 2020 is for surveys and interviews with CDC employees. Data collection with individuals external to CDC is planned for later this fall after PRA approval through the CDC Fellowships Programs Generic IC.
