OMB No. 0945-0003: Office for Civil Rights (OCR)—Health Information Privacy Division.

Abstract: Office for Civil Rights (OCR) requests approval to extend this existing, approved collection without changing any collecting requirements while OCR obtains public comment through a Notice of Proposed Rulemaking (NPRM) proposing modifications to the HIPAA Rules that will affect the hourly burdens associated with the Rules. When the NPRM is published, we expect to receive robust public comment on existing burdens associated with compliance with the HIPAA Rules and on changes in burden that could result from the modifications proposed in the NPRM. OCR will update this ICR to reflect the input we receive on this notice and through the rulemaking process.

Likely Respondents: HIPAA covered entities, business associates, individuals, and professional and trade associations of covered entities and business associates.
