3. **PRIOR WAGES.** Please read the following instructions and provide the information requested on the following page(s).

### What We Need To Know About Wages and Deductions

#### Wages

We need to know the amount of **gross** wages paid to the employee **in** each of the months checked on the back of this page and any additional pages. Base these amounts on actual paydays in the month, **not** the ending dates of pay periods. For example, wages earned in a pay period ending on May 29 but actually paid on June 5 would be included in the total gross wages paid in June. If no wages were paid to the employee in a month that is checked, please show "none."

#### **Be sure to include in gross wages:**

- Tips
- Bonuses
- Overtime
- Holiday and vacation pay
- The dollar value of payments in kind (meals or lodging, for example)
- Any contributions under a salary reduction agreement to a cafeteria plan as defined in section 125 of the Internal Revenue Code
- Garnished child support.

**Do not include in gross wages any advance earned income tax credit payments.**

#### Deductions

Please also provide the amount of any cafeteria plan deductions, garnished child support, or any other item indicated at the top of these columns to the right of the gross wages. Please show "none," if applicable. Completion of the "OTHER" column is only needed when a specific item is listed at the top of that column.
