Privacy Act Statement
Collection and Use of Personal Information

Sections 205(b), 205(d), and 1631(c) of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent us from completing the hearing process.

We will use the information to acknowledge you are opting-out of a hearing appearance via video teleconferencing. We may also share your information for the following purposes, called routine uses:

1. To contractors and other Federal agencies, as necessary, for the purpose of assisting the Social Security Administration (SSA) in the efficient administration of its programs; and
2. To student volunteers and other workers, who technically do not have the status of Federal employees, when they are performing work for SSA as authorized by law, and they need access to personally identifiable information in SSA records in order to perform their assigned Agency functions.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notices (SORN) 60-0005, entitled Administrative Law Judge Working File on Claimant Cases and 60-0089, entitled Claims Folders Systems. Additional information and a full listing of all our SORNs are available on our website at www.socialsecurity.gov/foia/bluebook.
