N. SEXUAL EXPERIENCES	
<p>The next questions are about times in your life when you may have ever experienced sexual situations with anyone. This may include strangers or someone you knew such as a romantic or sexual partner, a family member, a friend, teacher, co-worker or supervisor, or someone you have known for only a short time</p> <p>These may be things you wanted to happen, didn't want to happen, changed your mind about as they were happening, or maybe part of you wanted it to happen at the time and part of you didn't want it to happen.</p> <p>These questions are detailed and the language is explicit, which some people may find upsetting. It's okay if you need to take a break while you are answering the questions. It is important that the questions are asked this way so that you understand what they mean. Your answers will help us to learn how often these things happen. You can skip questions you don't want to answer and you can stop at any time.</p> <p>In these questions, "sex" means oral, vaginal, or anal sex. Oral sex refers to stimulating someone's genitals with the mouth. Vaginal sex refers to putting a penis or an object in someone's vagina. Anal sex refers to putting a penis or object in someone's anus or butt.</p>	
<p>1. At any time in your life, have you ever had sex with another person?
