PRIVACY ACT STATEMENT

Authority: 16 U.S.C. 470aa-mm; 43 CFR 7, The Archaeological Resources Protection Act of 1979; P.L. 59-209; 34 Stat. 225; 54 U.S.C. 320301-320303; 43 CFR 3, The Antiquities Act of 1906; 54 U.S.C. 100701 Protection, interpretation, and research in System.

Purpose: The primary use of the records maintained in the system is to 1.) administer scientific archeological research within areas administered by Federal land managers and assess individuals' capabilities and organizational capacities to carry out the research and 2.) maintain a record of the research performed through the interim and final reports, and arrangements made to care for collections through the curation agreement.

Routine Uses: In addition to those disclosures generally permitted under 5 U.S.C.552a(b) of the Privacy Act, records or information contained in this system may be disclosed outside DOI or other Federal agencies as a routine use pursuant to 5 U.S.C. 552a(b)(3) to other federal, state, local, tribal or foreign governments and organizations, and members of the general public based on an authorized routine use when the disclosure is compatible with the purpose for which the records were compiled as described under the system of records notice for this system.

Disclosure: Voluntary, however, failure to provide the requested information may impede the institution, corporation, partnership, individual, or other entity from obtaining a permit for archeological investigations.

PAPERWORK REDUCTION ACT STATEMENT

This information is being collected pursuant to 16 U.S.C. 470cc and 470mm, to provide the necessary facts to enable the Federal land manager (1) to evaluate the applicant's professional qualifications and organizational capability to conduct the proposed archeological work; (2) to determine whether the proposed work would be in the public interest; (3) to verify the adequacy of arrangements for permanent curatorial preservation, as United States property, of specimens and records resulting from the proposed work; (4) to ensure that the proposed activities would not be inconsistent with any management plan applicable to the public lands involved; to reports to Congress on Federal Archeology Programs; and (6) to allow Federal agencies to evaluate Federal archeological protection programs and assess compliance with the Archaeological Resources Protection Act of 1979 (16 U.S.C. 470cc). Submission of the information is required before the applicant may enjoy the benefit of using publicly owned archeological resources. To conduct such activities without a permit is punishable by felony-level criminal penalties, civil penalties, and forfeiture of property. A federal agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. OMB has approved this collection of information and assigned Control No. 1024-0037.

ESTIMATED BURDEN STATEMENT

Public reporting for this collection of information is estimated to average 4 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Information Collection Clearance Officer, National Park Service, 12201 Sunrise Valley Drive Reston, Virginia 20192. Do not send your completed form to this address.
