

We are conducting interviews with Americans ages 18 and older to help the Department of State better serve the public's need for passport services in the coming months and years. Your household was selected at random. It is important a person who is knowledgeable about the travel habits of your household complete this interview. Your participation, while voluntary, will be essential to the success of the study. Your answers will be kept private to the extent permitted by law and identifying information will not be released outside of the Department of State.

Thank you for participating in this important research!
