

Welcome to the Appeals Team Case Conferencing Initiative Survey

You have received this survey because of your participation in the Appeals Team Case Conferencing Initiative (“Initiative”).

The Appeals mission is to resolve tax controversies, without litigation, on a basis which is fair and impartial to both the government and the taxpayer and in a manner, that will enhance voluntary compliance and public confidence in the integrity and efficiency of the Service. For many years, Appeals Officers have had the discretion to invite IRS Examination personnel (“Compliance”) to Appeals conferences; this Initiative makes Compliance attendance routine for certain ATCL cases. As in the past, settlement negotiations are held between Appeals and the taxpayer without Compliance present, unless otherwise agreed to by the parties. Under the Initiative, the ATCL is also responsible for coordinating and moderating a telephone call (“expectations telephone call”) prior to the conference explaining the Appeals mission and the conference process.

This survey is intended to provide Appeals feedback about the Initiative. Research, Applied, Analytics and Statistics is conducting this survey on behalf of the Office of Appeals. The survey will not provide any identifying information to the IRS.

This survey should take no more than **XX** minutes to complete. The survey will be available until **Month Day, Year**.

You will be able to save your answers at any point and return to complete the survey at another time. **(Add any other instructions such as passwords.)**
