Public Participation and Request for Comments

This notice relies on the authority of the Paperwork Reduction Act
of 1995; 44 U.S.C. chapter 35, as amended. An ICR is an application to
OIRA seeking the approval, extension, or renewal of a Coast Guard
collection of information (Collection). The ICR contains information
describing the Collection's purpose, the Collection's likely burden on
the affected public, an explanation of the necessity of the Collection,
and other important information describing the Collection. There is one
ICR for each Collection.

The Coast Guard invites comments on whether this ICR should be
granted based on the Collection being necessary for the proper
performance of Departmental functions. In particular, the Coast Guard
would appreciate comments addressing: (1) The practical utility of the
Collection; (2) the accuracy of the estimated burden of the Collection;
(3) ways to enhance the quality, utility, and clarity of

burden of the Collection on respondents, including the use of automated
collection techniques or other forms of information technology.

Regulation and Controlling Regulatory Costs, and Executive Order 13777,
Enforcing the Regulatory Reform Agenda, the Coast Guard is also
requesting comments on the extent to which this request for information
could be modified to reduce the burden on respondents. These comments
will help OIRA determine whether to approve the ICR referred to in this
Notice.
