

## Appendix E-2 Public School Administrator Survey

### Information for Reviewers

This study team for the Evaluation of the DC Opportunity Scholarship Program (OSP) will administer this Public School Administrator Survey to collect data about schools in D.C. Public Schools as well as charter schools operating within the city. This document includes proposed survey items, their sources, and programming logic for online administration. Reviewers should take note of the following

#### *Respondent samples and survey timing*

The study team will administer a Public School Administrator Survey to two groups of respondents:

- **Administrators in DCPS schools**
- **Administrators in charter schools authorized by the DCPCSB**

The survey will be administered in the spring of the 2021-22 school year. Administrators will be reporting on conditions in the school during the 2021-22 school year.

#### *Formatting guide*

This document uses the following conventions:

[**ALL CAPS**] Indicates programming logic that respondents will not see but which drive survey skip patterns and auto-filled parameters.

Source: Indicates the original source of the item and notes any study-related adaptations.

### WELCOME AND CONSENT

This survey asks about characteristics, instructional approach, and challenges in DC public and private schools. We are asking DC public (including charter) and private schools – including those that do and do not participate in the DC Opportunity Scholarship Program (OSP) – to take part in this survey. The U.S. Department of Education is sponsoring this study and has hired Abt Associates and researchers at the University of Washington and North Carolina State University to carry out the study. **You can help Congress and the U.S. Department of Education better understand schooling options for families in DC by participating in this survey.**

**We are asking you to complete a short survey about your schools' characteristics, instructional approach, and challenges. The survey should take about 12 minutes to complete.**

When taking the survey you may choose to not answer a question or to stop the survey at any point. There are no right or wrong answers. None of your survey responses will affect your funding eligibility. The study team will not include your name or the name of your school in reports or data files produced by this study. We will not share information from this survey that identifies you to anyone outside of the study team, except as required by law.

We know your time is valuable, and we thank you in advance for the time spent completing this questionnaire! Your responses are vital to the success of this important U.S. Department of Education study.

By pressing the continue button you agree to participate in this survey.
