

Railroad Commission states that it will also acquire NOPB's ownership or operating interests in all yard, industry, wharf, and lead tracks associated with the above line segments, including the Southern Recycling Lead, East Bridge Yard, Pacific Fruit Express Yard, Cotton Warehouse Yard, Race Yard, French Market Station, Pauline Yard, Claiborne Yard, France Yard, North Bulk Terminal Yard, South Bulk Terminal Yard, and Kingfish Yard. According to Railroad Commission, upon completion of the transaction, it will be a Class III switching and terminal railroad, providing neutral local and intermediate switching service to shippers and six connecting Class I railroads in the New Orleans area in place of NOPB.

Railroad Commission certifies that its projected annual revenues as a result of this transaction will not exceed those that would qualify it as a Class III rail carrier.⁶ Because Railroad Commission's projected annual revenues will exceed \$5 million, on July 2, 2020, Railroad Commission certified to the Board that it had complied with the requirements of 49 CFR 1150.32(e) by posting notice on July 2, 2020 at workplaces of NOPB employees and by serving notice on the national offices of the labor unions representing NOPB employees on the same date. Railroad Commission further certifies that neither the legislation governing this transaction nor any of the agreements to which Railroad Commission would succeed in place of NOPB includes any provision limiting Railroad Commission's future interchange of traffic with any connecting carrier.

The transaction may be consummated on or after September 10, 2020, the effective date of the exemption (30 days after the verified notice of exemption was filed). If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than September 3, 2020 (at least seven days before the exemption becomes effective).

All pleadings, referring to Docket No. FD 36419, must be filed with the Surface Transportation Board either via e-filing or in writing addressed to 395 E Street SW, Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Railroad

Commission's representative, Robert A. Wimbish, Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 800, Chicago, IL 60606-3208.

According to Railroad Commission, this action is excluded from environmental review under 49 CFR 1105.6(c) and from historic preservation reporting requirements under 49 CFR 1105.8(b)(1).

Board decisions and notices are available at www.stb.gov.

Decided: August 24, 2020.

Clearance Clerk.
