## GENERAL INSTRUCTIONS

**Note:** Before completing this form, you are advised to read the *PAPERWORK REDUCTION ACT AND PRIVACY ACT NOTICES* on page 7 of this form.

Type or print all answers in ink. If you need more space than is provided to answer a question, use Section 9 for this purpose. If you do not know the answer to a question, print "unknown" in the space provided for the answer.

Some items in the statement will not apply to you so you will not need to answer them. Based on your answer to a question, you may be told to skip to another item number or even another section. Follow the instructions that tell you to "go to" another item. These are designed to save you time and help you move through the statement quickly, filling in only necessary information. If no "go to" instructions are given, answer the next item in order. **Do not skip any items unless directed to do so.**

If you are completing this form on behalf of an overpaid annuitant or claimant, you must answer each question as it applies to such annuitant or claimant.

We estimate that this form takes an average of 85 minutes (1 hour and 25 minutes) per response to complete; including the time for reviewing the instructions, getting the needed data and reviewing the completed form. Federal agencies may not conduct or sponsor, and respondents are not required to respond to, a collection of information unless it displays a valid OMB number. ## PAPERWORK REDUCTION ACT AND PRIVACY ACT NOTICES

---

The Railroad Retirement Board (RRB) is authorized to collect the above information under section 7b(6) of the Railroad Retirement Act and under section 12(l) of the Railroad Unemployment Insurance Act.

If an overpayment of benefits has been made to you, this information will enable the RRB to determine whether it can waive its right to recover such overpayment. The RRB can waive its right to recovery only when you are not at fault in connection with the overpayment and recovery would deprive you of income needed to meet ordinary living expenses or would otherwise be unfair. Otherwise, the RRB is required by law to recover any overpayment. Moreover, if the RRB determines that recovery may not be waived, the financial information obtained on this form may then be important in establishing the rate of recovery or the extent of the recovery efforts.

You are not required to provide the information on this form; however, your failure to provide the requested information may result in a denial of your waiver request and, if the RRB is unable to recover the overpayment, it may be necessary to report the overpayment to another Federal agency or to a private collection agency for further collection effort.

The RRB may disclose specific information or records relating to your waiver request to certain third parties without your prior written consent or the prior written consent of the person to whom the information or record applies. The routine uses or disclosures which may be made of information from this form include the following:

- Information or records may be disclosed to any last employer to verify statement(s) of earnings.
- Information or records may be disclosed to the Government Accountability Office for auditing of debts arising from overpayments under either the Railroad Retirement or Social Security Acts.
- Information or records may be disclosed in a court proceeding relating to a decision with respect to your request for a waiver.
- Information or records may be disclosed in certain instances for law enforcement purposes to the appropriate Federal, state or local enforcement agency.

*The RRB's current list of routine uses may be inspected at any office of the RRB.*
