Extension:

Form N-54A

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (the "Investment Company Act"), certain investment companies can elect to be regulated as business development companies, as defined in Section 2(a)(48) of the Investment Company Act (15 U.S.C. 80a-2(a)(48)). Under Section 54(a) of the Investment Company Act (15 U.S.C. 80a-53(a)), any company defined in Section 2(a)(48)(A) and (B) may elect to be subject to the provisions of Sections 55 through 65 of the Investment Company Act (15 U.S.C.

80a-54 to 80a-64) by filing with the Commission a notification of election, if such company has: (1) A class of equity securities registered under Section 12 of the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"); or (2) filed a registration statement pursuant to Section 12 of the Exchange Act for a class of its equity securities. The Commission adopted Form N-54A (17 CFR 274.53) as the form for notification of election to be regulated as a business development company.

The purpose of Form N-54A is to notify the Commission that the investment company making the notification elects to be subject to Sections 55 through 65 of the Investment Company Act, enabling the Commission to administer those provisions of the Investment Company Act to such companies.

The Commission estimates that on average approximately 7 business development companies file these notifications each year. Each of those business development companies need only make a single filing of Form N-54A. The Commission further estimates that this information collection imposes a burden of 0.5 hours, resulting in a total annual PRA burden of 3.5 hours. Based on the estimated wage rate, the total cost to the business development company industry of the hour burden for complying with Form N-54A would be approximately \$1,288.

The collection of information under Form N-54A is mandatory. The information provided by the form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Revision:
Form N-8B-2

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Form N-8B-2 (17 CFR 274.12) is the form used by unit investment trusts ("UITs") other than separate accounts that are currently issuing securities, including UITs that are issuers of periodic payment plan certificates and UITs of which a management investment company is the sponsor or depositor, to comply with the filing and disclosure requirements imposed by section 8(b) of the Investment Company Act of 1940 (15 U.S.C. 80a-8(b)). Form N-8B-2 requires disclosure about the organization of a UIT, its securities, the personnel and affiliated persons of the depositor, the distribution and redemption of securities, the trustee or custodian, and financial statements. The Commission uses the information provided in the collection of information to determine compliance with section 8(b) of the Investment Company Act.

Each registrant subject to the Form N-8B-2 filing requirement files Form N-8B-2 for its initial filing and does not file post-effective amendments on Form N-8B-2.¹ The Commission staff estimates that approximately one respondent files one Form N-8B-2

¹ Post-effective amendments are filed with the Commission on the UIT's Form S-6. Hence, respondents only file Form N-8B-2 for their initial registration statement and not for post-effective amendments.

filing annually with the Commission. Based on form amendments to include formatting and hyperlinking requirements to Form N-8B-2 arising from the adoption of the FAST Act release,² staff estimates that the burden for compliance with Form N-8B-2 is approximately 28 hours per filing.³ The total hourly burden for the Form N-8B-2 filing requirement therefore is 28 hours in the aggregate (1 respondent × one filing per respondent × 28 hours per filing), at an internal cost burden of \$9,912, and external cost burden of \$10,300.

Estimates of the burden hours are made solely for the purposes of the PRA and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms. The information provided on Form N-8B-2 is mandatory. The information provided on Form N-8B-2 will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
