Draft Reporting Form for Proposed FFIEC 002 Revisions with Proposed Effective Dates Beginning with June 30, 2020

This draft reporting form, which is subject to change, presents the pages from the Report of Assets and Liabilities of U.S. Branches and Agencies of Foreign Banks (FFIEC 002) as they are proposed to be revised, subject to final approval by the U.S. Office of Management and Budget (OMB). These proposed revisions are described in the federal banking agencies' initial Paperwork Reduction Act (PRA) [Federal Register notice](#) published on July 22, 2020. As discussed in the agencies' final PRA [Federal Register notice](#) published in the *Federal Register* on November 23, 2020, the agencies are proceeding with the revisions to the FFIEC 002 as proposed. The initial and final notices are available on the [FFIEC's web page for the FFIEC 002](#).

The revisions to the report form with the effective date of June 30, 2020, pertain to Section 4013 of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which provides optional temporary relief from accounting for eligible loan modifications as troubled debt restructurings; and the Federal Deposit Insurance Corporation's (FDIC's) final rule on deposit insurance assessments issued in response to disruptions related to the Coronavirus Disease 2019. The agencies have received emergency approvals from the OMB to implement changes to the FFIEC 002 arising from an interim final rule that amends the Federal Reserve Board's Regulation D on reserve requirements, the FDIC's final rule, and Section 4013 of the CARES Act. These revisions are included in the initial *Federal Register* notice noted above.

An additional proposed revision to the FFIEC 002 with an effective date beginning with the September 30, 2020, report date, arising from the FDIC's final rule also has received emergency approval from OMB. This proposed revision also is described in the agencies' initial PRA *Federal Register* notice and is included in this draft reporting form.

Part II of Schedule C is to be completed annually as of the June 30 report date only by branches whose deposits are insured by the FDIC.

Report the number and amount currently outstanding as of June 30 of business loans with "original amounts" of \$1,000,000 or less and farm loans with "original amounts" of \$500,000 or less. The following guidelines should be used to determine the "original amount" of a loan: (1) For loans drawn down under lines of credit or loan commitments, the "original amount" of the loan is the size of the line of credit or loan commitment when the line of credit or loan commitment was *most recently* approved, extended, or renewed prior to the report date. However, if the amount currently outstanding as of the report date exceeds this size, the "original amount" is the amount currently outstanding on the report date. (2) For loan participations and syndications, the "original amount" of the loan participation or syndication is the entire amount of the credit originated by the lead lender. (3) For all other loans, the "original amount" is the total amount of the loan at origination or the amount currently outstanding as of the report date, whichever is larger.
