Differences between NACS Version 1 and NACS – American Indian Version

Nothing is being added to the sample, a subset of the sample will receive the American Indian version. The operations receiving Version 2 will be identified by the Arizona, NM, and Utah staff as part of the Mountain RFO.

- Version 2
- Added Question 1a Land in Permits
- Delete K200 (permanent pasture)
- Delete K220 (CRP)
- Delete Grain Storage question
- Delete Aquaculture (in title for section)
- Delete Milk Cow question (K615)
- Delete Aquaculture yes/no question (K679)
- Delete Production Contracts (K1301, Specify, K1313)
- Shortened question " What was the person's age on December 31, 2020?"
  To Age on December 31, 2020 to save a line on the page.
- Updated Race question to add tribe specify and Chapter if Navajo to match the American Indian form for the census.

  The remainder of the form is the same.
