11. Was the port able to adequately handle the commodity offloading without a large loss of commodity; did the port authorities and customs authorities handle the commodity clearance process efficiently? Was the surveyor present? Was he cooperative? Note name and firm of surveyor. 12. Were any measures taken to cut down on warehouse expenses, i.e. sharing space with other commodities, other PVOs, etc.? 13. Were there any security measures that worked well or not well (warehousing)? 14. Did the country's intermodal system (trucking, rail, etc.)provide timely delivery? What were your experiences?	10. List any claims on lost or defective goods. What is current status of these claims?

DIRECT DISTRIBUTION INFORMATION

If no commodities were used for direct distribution/feeding during this reporting period, go directly to the "Monetization Information" section of this report.

Table C.

DIRECT DISTRIBUTION (quantities in actual MT) Include sub-totals (by commodity) and Totals

Report #	Commodity	Amount Distribu- ted (NMT)	Distribu- tion Region	Type of Institution (Include Food for Work)	Number of Recipient Insti- tutions	Number of Benefi- ciaries
Sub-total						
Total						

- 15. What have been the project impacts on the beneficiaries and the community? How did the targeted recipients/participants respond to the food aid/donation?
- 16. Compare the progress to date with planned project targets.
- 17. Describe how the monitoring procedures as outlined in the agreement are functioning, noting any adjustments or changes made.
- 18. Was the commodity appropriate for the country/region? If not, could another commodity and/or package type, have been used that would have improved the program?
- 19. Has this distribution program helped reduce the need for future food aid? Have new or are potential development prospects evident?
