Add 'Christmas trees' to the gathering forest products list.

**Q16**

*Old: Overall, how satisfied or dissatisfied are you with this visit (interviewer fill in forest name) National Forest, using a scale of 1 to 5, where 1 means very dissatisfied and 5 means very satisfied?*

New: Overall, how satisfied or dissatisfied are you with your recreation experience on this National Forest during this visit, using a scale of 1 to 5, where 1 means very dissatisfied and 5 means very satisfied?

---

## ECONOMICS QUESTIONS

### Economics Section Lead-in:

*Old: This last series of questions are about what you might have done instead of coming to this Forest and about your spending and income. I realize some of these are sensitive questions, but I would really appreciate your answers. The information you provide is strictly confidential and is needed to help us determine how recreation on this Forest contributes to the local economy. It helps us plan better for the future.*

*New: This last series of questions are about your spending on this visit and your income. I realize some of these questions may be sensitive, but any information you provide is strictly confidential and is needed to help us determine how recreation on this forest contributes to the economy. You have every right not to answer, but it is really appreciated if you are willing to do so.*

### Q31

*Old: information about income is important because people with different incomes come to the Forest for different reasons. What is your annual household income?*

*New: What is your annual household income?*

---

## SATISFACTION ADDITION

### Lead in to Qs30 - 45

*Old introduction: Now I would like to have you rate the recreation services and quality of the recreation facilities on this Forest. As I read this list, I will ask you to rate two things. First, rate your satisfaction or dissatisfaction with the item using a scale of 1 to 5 where 1 means very dissatisfied and 5 means very satisfied. Next rate the importance of this item to the overall quality of your recreation experience on this trip. To rate importance use a scale from 1 to 5 where 1 means very unimportant and 5 means very important.*

*New introduction: I would like you to rate your satisfaction with each item on this list, with one meaning very dissatisfied and five meaning very satisfied. And then rate how important that item is on this visit, with 1 as very unimportant and 5 as very important.*
