

Attachment 1 - Operating Expense Question by Variation

This attachment details what items the operating expense question will now consist of for every form. There will be 12 different variations of the expense question, to accommodate various industry details. The 'Form Item Key' below lists what the codes under each variation number mean. This represents the detailed operating expense information being collected. To view an example of the new, condensed expense question, see the representative survey worksheets in Attachment 3, Item 14 'Operating Expenses'.
