Petition To Revive Abandoned Application - Failure To File Timely Statement Of Use Or Extension Request

TEAS - Version 7.1

The United States Patent and Trademark Office (USPTO) "abandons" a trademark application after a Notice of Allowance is issued when a timely Statement of Use (SOU) or Request for Extension of Time to file a Statement of Use (Extension Request) is not received. You can file a petition to "revive" an abandoned application if your delay in filing an SOU or Extension Request was unintentional.

You must file the petition no later than two (2) months from the mailing date of the Notice of Abandonment. If you never received the Notice of Abandonment, you must file the petition within two (2) months of your actual knowledge of the abandonment and no later than six (6) months from the date the application status was updated to "Abandoned No Statement of Use Filed."

If this Petition to Revive Abandoned Application form is not available for your serial number, you can submit the Petition to the [Petition to the Director](#) form.

NOTE: You must complete any field preceded by the symbol "**".

TIMEOUT WARNING: After 25 minutes of [inactivity](#), you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.

* **Serial Number of Abandoned Application:** *(required only if completing the form for the first time)*

NOTE: You can file a Statement of Use (SOU) directly with this form if it covers ALL of the Section 1(b), intent to use, goods/services/collective membership organization in the application. Otherwise, complete the petition form with an extension of time for filing a statement of use. Then, wait until the extension request is granted and separately file a Statement of Use with the Request to Divide option included in the SOU form.
