Signature of Company Official and typed name, title, address, telephone number, and date			
Signature of Principal Investigator and typed name, title, address, telephone number, and date			

<b>TECHNICAL ABSTRACT (limit to 200 words):</b>
<b>POTENTIAL COMMERCIAL APPLICATION OF THE RESEARCH: (limit to 100 words)</b>
<b>OTHER INFORMATION:</b>
<p>Information contained in unsuccessful applications will remain the property of the applicant. The Federal Government may, however, retain copies of all applications. Public release of information in any application submitted will be subject to existing statutory and regulatory requirements. Applicants are discouraged from submitting proprietary information unless the information is deemed essential for proper evaluation of the application. If proprietary information provided by an applicant in a proposal constitutes trade secret, proprietary commercial or financial information, confidential personal information, or data affecting national security, it will be treated in confidence to the extent permitted by law, provided that the proposal is clearly marked by the applicant as follows:</p> <p>(A) The following legend must appear on the title page of the proposal:</p> <p style="padding-left: 40px;">This proposal contains information that shall not be disclosed outside the Federal Government and shall not be duplicated, used, or disclosed in whole or in part for any purpose other than evaluation of this proposal, unless authorized by law. The Government shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting award if award is made as a result of the submission of this proposal. The information subject to these restrictions are contained on all pages of the proposal except for pages [insert page number or other identification of pages that contain no restricted information.]</p> <p style="text-align: center;">(End of Legend); and</p> <p>(B) The following legend must appear on each page of the proposal that contains information the applicant wishes to protect:</p> <p style="padding-left: 40px;">Use or disclosure of information contained on this sheet is subject to the restriction on the title page of this proposal.</p> <p>The use of any other legend is unacceptable to the Government and may constitute grounds for removing the application from further consideration without assuming any liability for inadvertent disclosure.</p>

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0693-0072. Without this approval, we could not conduct this information collection. Public reporting for this information collection is estimated to be approximately 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are required to obtain benefits. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the National Institute of Standards and Technology at: 100 Bureau Dr. Gaithersburg, MD 20899, Attn: Technology Partnerships Office, SBIR Program Office.
