

## STUDY SUPPORT EMAIL FROM MC&FP TO TARGET STAKEHOLDER SURVEY PARTICIPANTS

Dear **Name of stakeholder**,

As you may know, the office of Military Community and Family Policy (MC&FP) within the Department of Defense contracted with the RAND Corporation to gather information about how the Child and Youth Behavioral Military Family Life Counseling program (CYB-MFLC) can meet the needs and expectations of their stakeholders. MC&FP would also like to identify where there are gaps in services and opportunities to better meet the diverse needs of military children in schools and Child and Youth Programs.

I am writing to ask for your support in this study. On **date of survey recruitment email**, you will receive an email from **survey vendor email address** asking you to participate in the online survey. I encourage you to consider participating in the study. Your input will help ensure that the CYB-MFLC program is best positioned to meet the current and emerging needs of military children at your school.

Participation in the study is completely voluntary. RAND will keep all information you provide on the survey confidential and will not share identifying information with anyone outside of the RAND study team.

My POC for the CYB-MFLC RAND Study is Ms. Lori Anderson. You can also contact Tom Trail ([Thomas\\_Trail@RAND.org](mailto:Thomas_Trail@RAND.org)) or Laurie Martin ([Laurie\\_Martin@RAND.org](mailto:Laurie_Martin@RAND.org)) if you have any questions about the study.

I hope you will consider participating in this important study.
