

OFAM's Grants Management Customer Survey

1. OFAM's 2012 Grants Management Customer Survey

Form Approved
OMB No. 0915-0212
Exp. Date 8/31/2012

The Health Resources and Services Administration's (HRSA) Office of Federal Assistance Management (OFAM) is conducting this survey to assess the overall performance of our grants management function. We need your input to assess how we are doing in providing grants management services to applicants and recipients.

OFAM consists of four Divisions: The Division of Financial Integrity (DFI), the Division of Grants Management Operations (DGMO), the Division of Grants Policy (DGP), and the Division of Independent Review (DIR). OFAM's Associate Administrator reports directly to the HRSA Administrator and serves as the Chief Grants Management Officer (CGMO) for HRSA.

This survey is being sent to HRSA's grant recipient organizations. Survey participants include Grants Administrators, Business Officers, Project Directors, and Principal Investigators. You were selected to participate because of your involvement in the business management, and or administration of one or more grant projects funded by HRSA.

Please answer this survey based on your experience with the performance of OFAM during the past 12 to 18 months. If you wish, you may use the "Comments" section to further elaborate on any answer. Answer the questions only in the context of discretionary grants and cooperative agreements.

Your response will have no impact on eligibility for, or receipt of, future services or funding.

Your cooperation is greatly appreciated and will assist OFAM in assessing the overall performance of its grants management function, thus enabling us to ensure that we are providing effective customer service and identifying any areas needing improvement for the future.

Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0915-0212. Public reporting burden for this collection of information is estimated to average 6 minutes per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 10-29, Rockville, MD 20857.
