**[Interviewer reads...]** Hello, my name is \_\_\_\_\_ **[Please specify Interviewer Name and Title]**. I am calling you today on behalf of the Agency for Toxic Substances and Disease Registry (ATSDR). Recently you attended a community meeting and agreed to take a survey that would help us improve our services in your community. Thank you for that! We are interested in getting your feedback on how effective and timely ATSDR is in informing communities.

The information will be used to help ATSDR improve what we do in a way that's best for community members and local and state agency stakeholders. The survey results will be used by ATSDR to provide valuable health information so that you can protect yourself, your family, and your community from environmental health risks.

**[Interviewer]** Would you like to participate in the survey now? It will only take about 15 minutes.

- Yes      **Continue with the survey [Read consent, below]**
- No        Do you prefer that we call you back at another time?  
**[Specify date/time/phone # preference on contact info]**

**[If they changed their mind, and don't want to participate anymore, End Call]**

Thank you very much for your time. Have a great day/evening]!

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0923-xxxx).
