Social Security regulation 20 CFR 404.716 authorizes us to collect this information. We will forward the information you provide to the Bureau of the Census for their use in searching their records to verify your age. The information you furnish on this form is voluntary. However, failure to provide the requested information may prevent an accurate and timely decision on your entitlement to Social Security benefits.

We rarely use the information you supply for any purpose other than for determining reimbursements. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage;

3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and,
4. To facilitate statistical research, audit, or investigative activities necessary to assure the integrity of Social Security programs.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

A complete list of routine uses for this information is available in our System of Records Notice entitled, Claims Folders Systems, 60-0089.
