We will use the information to process your one-time or recurring credit card payment(s). We may also share your information for the following purposes, called routine uses:

- To third party contacts such as private collection agencies and credit reporting agencies under contract with SSA and other agencies, including the Veterans Administration, the Armed Forces, the Department of the Treasury, and State motor vehicle agencies, for the purpose of assisting SSA in recovering program debt.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.
