PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN

Through this information collection, ACF is gathering information to understand, from the perspective of participants, how programs designed to support low-wage workers have responded to the 2019 Novel Coronavirus (COVID-19) public health emergency (PHE) and whether and how they are meeting the needs of participants. Public reporting burden for this collection of information is estimated to average 2 hours per respondent, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0356 and the expiration date is 6/30/2021. If you have any comments on this collection of information, please contact Sheena McConnell; Mathematica, 1100 First St. NE, Washington, DC 20002-4221.
