The valid OMB control number for this information collection is XXXX-XXXX. The time required to complete this information collection is estimated to average 50 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. COMPUTER ASSISTED WEB INTERVIEW (CAWI) ALL
COMPUTER ASSISTED TELEPHONE INTERVIEW (CATI) ALL

Intro.* [IF CATI: My name is [fill Interviewer Name] and I'm calling on behalf of the U.S. Department of Health and Human Services.] Recently, you should have received a letter about a survey Mathematica is conducting for the U.S. Department of Health and Human Services. The [NEXTGEN PROGRAM] is participating in the Next Generation of Enhanced Employment Strategies Project and this survey is part of that study. To inform the study, we need to hear about your experiences including your use of employment services, your jobs, your health, and your receipt of benefits. Your participation in this study will help policymakers and program staff better understand how to improve programs like [NEXTGEN PROGRAM]. Mathematica will mail you a \$40 gift card when the survey is completed.

You agreed to be part of the study around [RA MONTH/YEAR] when you talked with staff from [NEXTGEN PROGRAM].

All of your responses will be kept private; your name will not appear in any written reports we produce. Your responses to these questions are completely voluntary. That means you may choose not to answer any question, or you may stop the survey at any time.

According to the Paperwork Reduction Act (PRA), this collection of information is voluntary. Public reporting burden for this collection of information is estimated to average 50 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. A government agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number and expiration date for this collection are OMB #: XXXX-XXXX, Exp: XX/XX/XXXX.

[IF CATI: Do you have any questions before we begin?]
