

Appendix I. Instrument 5 Service receipt tracking

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is XXXX-XXXX. The time required to complete this information collection is estimated to average 5 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. Send comments regarding this burden estimate to XXX. OMB expiration date xx/xx/xxxx.

Service Receipt Tracking – Screens in the Random Assignment, Participant Tracking Enrollment, and Reporting, or RAPTER®, system (this data is only collected for participants assigned to the treatment group)
