NOTICES

PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the Fish and Wildlife Act (P.L. 105-242), the Anadromous Fish Conservation Act (P.L. 96-118) and the Sustainable Fisheries Act of 1996 (P.L. 104-297).

Purpose: The contact information requested is to assist in the description and location of the individual's capture of American shad. The capture location helps to determine migration patterns, distribution and the abundance of American shad for its successful restoration within the Chesapeake Bay.

Routine Uses: The contact information requested may be used by Fishery Managers and FWS biologists to determine location of capture. More information about the routine uses may be found in the Systems of Records Notice, FWS-21 Permits System.

Disclosure: The contact information requested is voluntary.

PAPERWORK REDUCTION ACT STATEMENT

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) to collect vital information used by fishery managers about the migration patterns, distribution, and abundance of American shad along the Atlantic coast and to respond to requests made under the Freedom of Information Act and the Privacy Act of 1974. Your response is voluntary. According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0127.
