

Under the Paperwork Reduction Act, a pe collection of information unless it displa number. Public reporting burden for this to average 1 hour per response, including searching existing data sources, gathering and completing the data, reviewing the collected information, including suggestions for improvement, Enforcement Administration, FOIA, an Washington, D.C. 20537; and to the C Paperwork Reduction Project No. 1117-0003

- INSTRUCTIONS FOR COPYING FORM**
- Characters should be printed neatly and conform as closely as possible to examples below.
 - All fields in the transaction (except the transaction code (Field 2) and the delete code (Field 3) are capable of being duplicated without coding the entire field to accomplish this. It is necessary that the first (leftmost) character in each field to be duplicated is coded using an equal (=) sign. The equal sign is the only character which can be used for this purpose.

MAILING INSTRUCTIONS
Retain duplicate for your records.
