Simplified Employee Pensions (SEPs) are established by section 408(k) of the Internal Revenue Code of 1986 (the Code). Although SEPs are primarily a development of the Code subject to its requirements, SEPs are also pension plans subject to the reporting and disclosure requirements of Title I of ERISA. This ICR generally requires timely written disclosure to employees eligible to participate in non-model SEPs, including specific information concerning: Participation requirements; allocation formulas for employer contributions; designated contact persons for further information; and, for employer recommended IRAs, specific terms of the IRAs such as rates of return and any restrictions on withdrawals.
