TechWomen Mentor Survey

Social Impact is working on behalf of the TechWomen Program, an initiative of the U.S. Department of State's Bureau of Education and Cultural Affairs. The goal of this survey is to understand the relationships you have built as a result of your participation in the TechWomen program. The survey will also ask questions about your life after participation in the program.

Please take this survey on a computer or laptop, if possible.

Taking this survey should take approximately 20-30 minutes. There are no risks to participating in the survey, and there are no direct benefits, though your participation may benefit those who participate in future programs. Participating in this survey does not influence your ability to participate in future TechWomen programming. All the responses you provide during this survey will be kept confidential to the furthest extent possible. Only the researchers directly involved in this study will have access to your personal information.

Your participation in this study is **voluntary** and you are under no obligation to participate. If you start the survey and wish to stop at any time for any reason, or if you do not want to answer any questions, you may do so without penalty.

Please complete this survey by January 31, 2021.

If you have any questions or concerns, you may contact the Social Impact Institutional Review Board at irb@socialimpact.com or +1 703 465 1884 with questions about the study or results.
