

## **Quasi-Reorganization Application**

### **General Information and Instructions**

#### **Preparation and Use**

This application is used to effect a transaction under 12 CFR 5.45 (federal savings associations) or 12 CFR 5.46 (national banks) (collectively, banks, or individually, bank or applicant) for a change in permanent capital resulting from a quasi-reorganization. Banks are not required to submit a separate filing if the quasi-reorganization results in a reduction of permanent capital.

All questions must be answered with complete and accurate information that is subject to verification. If the answer is “none,” “not applicable,” or “unknown,” so state. Answers of “unknown” should be explained.

The questions in the application are not intended to limit the applicant’s presentation nor are the questions intended to duplicate information supplied on another form or in an exhibit. For such information, a cross-reference to the information is acceptable. Any cross-reference must be made to a specific citation or location in the documents, so the information can be found easily. Supporting information for all relevant factors, setting forth the basis for the applicant’s conclusions, should accompany the application. The regulatory agency may request additional information.

This application form collects information that the OCC will need to evaluate a quasi-reorganization application. The OCC must consider the applicable statutory requirements set forth above, as well as applicable regulatory requirements, when acting on this application. For additional information regarding these statutory and regulatory requirements, as well as processing procedures and guidelines and any supplemental information that may be required, refer to the OCC’s procedural guidelines in the *Comptroller’s Licensing Manual*. The applicant may contact the OCC directly for specific instruction or visit the OCC’s Web site at [www.OCC.gov](http://www.OCC.gov).

#### **Notice of Publication**

Generally, public notice under 12 CFR 5.8 does not apply to a quasi-reorganization, unless the OCC determines that the application presents a significant or novel policy, supervisory, or legal issue where a public notice is considered necessary. A public notice also may be required where a quasi-reorganization application is accompanied by a second application that requires a publication notice under 12 CFR 5.8. In this instance, a public notice describing the entire transaction may be necessary to ensure the public has a full understanding of the entire transaction.

If a notice is required, the applicant must publish notice of the proposed quasi-reorganization in a newspaper of general circulation in the community or communities in which the applicant

proposes to engage in business. The OCC will provide specific requirements for the notice of publication.

### **Submission**

In addition to an original application and the appropriate number of signed copies, submit an electronic copy of the information in the application, especially of the business plan's financial projections, if applicable. For e-mail submissions, contact the OCC for instructions and information about secure transmission of confidential material.

### **Confidentiality**

Any applicant desiring confidential treatment of specific portions of the application must submit a request in writing with the application. The request must discuss the justification for the requested treatment. The applicant's reasons for requesting confidentiality should specifically demonstrate the harm (for example, loss of competitive position, invasion of privacy) that would result from public release of information (5 USC 552 or relevant state law). Information for which confidential treatment is requested should be (1) specifically identified in the public portion of the application (by reference to the confidential section); (2) separately bound; and (3) labeled "Confidential." The applicant should follow the same procedure when requesting confidential treatment for the subsequent filing of supplemental information to the application. Contact the OCC for any further questions regarding requests for confidential treatment.
