

Appendix A

Classroom Roster Request Form

Impact Evaluation of Teacher Residency Programs
REQUEST FORM FOR ASSIGNING STUDENTS TO CLASSES
School Year [2021-2022/2022-2023]

In order for Mathematica to assign students to classrooms for fall [2021/2022], please do the following:

1. *the same grade and subject, between which students are to be assigned.*

2. Prepare the list/roster of students. Include each student's first name, last name, student ID, and any student characteristics (such as gender or academic ability) you would like us to balance across classrooms. Please include student gender if there are no other characteristics you would like us to balance across classrooms.

3. Return this form and the list/roster of students using the link and instructions provided for the study's secure file transfer site.

A. This form and the attached roster of students are for:

School Name:

District Name:

State:	<input type="text"/>		
Class Type:	<input type="checkbox"/> General <i>(may contain some special education or English learner students)</i> <input type="checkbox"/> Self-contained English learner class <input type="checkbox"/> Self-contained bilingual class <input type="checkbox"/> Other (specify) _____	Subject(s):	<input type="checkbox"/> English language arts <input type="checkbox"/> Math <input type="checkbox"/> Both English language arts and math

Grade: Please mark grade below. Select one only.

GRADE 3	GRADE 4	GRADE 5	GRADE 6	GRADE 7	GRADE 8
<input type="checkbox"/> 3	<input type="checkbox"/> 4	<input type="checkbox"/> 5	<input type="checkbox"/> 6	<input type="checkbox"/> 7	<input type="checkbox"/> 8

Day/Block/Family (if applicable):

Period/Time (if applicable):

B. Date classroom assignment lists should be sent back to the school: ____ / ____ / 20____
month day year

C. The attached list(s) of ____ students is to be divided into ____ classes.
number number

D. Please list first and last names of lead teachers expected to teach these classes.
 Write "Unknown" if you do not know who the lead teacher will be or whether the lead teacher graduated from a teacher residency program.

REQUEST FORM FOR ASSIGNING STUDENTS TO CLASSES
School Year [2021-2022/2022-2023]

E. **Assignment Criteria (optional):** Indicate up to 3 criteria (such as gender or academic ability) that must be taken into account when assigning students to classrooms. *Note: Because we are assigning students randomly, the classrooms will be automatically balanced on most criteria.*

Number	Criterion	Codes Used	Code Meaning

F. **Exceptions (optional):** Describe any necessary exceptions to assignment lottery (*for example, students who must be assigned to different classrooms or to a particular teacher*). Such requests should not exceed 10 percent of students per class. Please clearly specify the names of the students and the assignment requests:

1	
2	
3	
4	
5	

Impact Evaluation of Teacher Residency Programs
REQUEST FORM FOR ASSIGNING STUDENTS TO CLASSES
 School Year [2021-2022/2022-2023]

In order for Mathematica to assign students to classrooms for fall [2021/2022], please do the following:

1. Complete this form (one new form for each classroom match). A *classroom match* is a group of classes of the same grade and subject, between which students are to be assigned.
2. characteristics (such as gender or academic ability) you would like us to balance across classrooms. Please include student gender if there are no other characteristics you would like us to balance across classrooms.
3. Return this form and the list/roster of students using the link and instructions provided for the study's secure file transfer site.

Prepar

A. This form and the attached roster of students are for:
