

Customer Service Generic Survey

Burden Statement

“This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2010-0042). Responses to this collection of information are voluntary (Executive Order 12898). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be ten minutes per response. Send comments on the Agency’s need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Regulatory Support Division Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.”

Submission Dates: TBD

EJSCREEN | 2022 IMPACT SURVEY

With the release of EJSCREEN 2021, the Office of Environmental Justice (OEJ) at the Environmental Protection Agency (EPA) is excited to announce the launch of the EJSCREEN Impact Survey! The goals of this survey are twofold: 1.) To capture and highlight how partners and the public are using EJSCREEN to support their analysis of potential environmental justice concerns; and 2.) To identify opportunities for improvement to EJSCREEN. Your support and continued feedback on EPA’s environmental justice screening tool is invaluable, and so we want to hear from you on how EJSCREEN is impacting your work. Participation is open to all individuals and organizations. Enter your submission by TBD for a chance to have your story featured on EPA’s EJSCREEN website.

Please select or write your responses to the following questions. You can provide additional information in the comment boxes.

Case Use Questions

1. How did you learn of EJSCREEN?
 - EJSCREEN webinar
