

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 2010-0042)

TITLE OF INFORMATION COLLECTION:

EPA Docket Center Customer Satisfaction Survey

PURPOSE:

The EPA Docket Center (DC) has two points of engagement where it interacts with public patrons to respond to requests for information and document requests. These points of engagement are the (1) DC Public Reading Room and (2) the Integrated Risk Information System (IRIS) Hotline. Currently, DC staff are using a hardcopy customer satisfaction survey form for EPA staff and EPA contractors following a training they deliver on the Federal Docket Management System (FDMS) training class. EPA DC staff would like to extend their request for feedback regarding their customers experience with DC staff from Federal and contract staff to include the two areas cited above. They believe that implementing a web-based survey tool would help address any customer service issues and improve their processes.

DESCRIPTION OF RESPONDENTS:

Any user of the services provided in the following areas: DC Public Reading Room’s Customer Service & IRIS Hotline.
